

About Fellowes' P-8C

- Fellowes' P-8C Cross-Cut shredder is designed for personal deskside use, destroying confidential documents into approximately 399 pieces.
- Its compact size makes it ideal for small spaces including home offices, kitchens, dorm rooms and apartments.
- The P-8C offers many of Fellowes' industry-leading innovations at a great price, including:
 - Ability to shred 8 sheets-per-pass, credit cards, staples and paper clips
 - Patented Safety Lock feature, disabling shredder for added protection
 - Easy-to-use lift-off head
- The P-8C is available at Target and Target.com for a suggested retail price of \$63.99.
